

CHANCELLOR, STUDENT AFFAIRS  
ACADEMIC YEAR

---

Good Morning and welcome to the University of Nairobi.

As you begin the next phase of your lives and education, I take this opportunity to congratulate you on your admission to this prestigious university.

The Student Affairs Division was established in 2010 to co-ordinate, guide and give firm leadership to all units that provide services to our students. This Division brings under one roof the offices of the Dean of Students, Student Welfare Authority (SWA), Sports and Games, the University Health Services (UHS), Special Students Advisor and Security. We are focused on helping you to succeed academically and socially with respect to community service, linkages with industry, student elections and leadership training among other things.

You therefore have at your disposal the office of the Dean of Students where services include orientation, counseling and work placement for recent graduates and continuing students. You now have access to an active and vibrant Sports and Games Department where you will be trained for competitive sports nationally and internationally. With regard to accommodation, the Students Welfare Authority shall ensure the proper management of catering and residential services. The University Health Services shall provide a comparable health care system that ensures curative, preventive and rehabilitative services for all of you. I urge you to make full use of the information given to you by senior officials from these units so that you know where to go for assistance.

I know you have been told about the Booklet that defines the rules and regulations you shall be expected to follow while at this institution. I wish, however, to sound a word of caution, that my office shall insist on good discipline and shall take prompt action against any indiscipline and violation of University rules and regulations.

I wish you an enjoyable and successful life at this institution.

Thank you.

**PROF. ISAAC M. MBECHÉ**  
**DEPUTY VICE-CHANCELLOR**  
**STUDENT AFFAIRS**
